

NYSL App Scenarios

1) Martha, a mother of two kids that play at NYSL league, needs to check the schedule for the next two games and easily opens the app to get that information and be there on time.

2) Kevin, a huge NYSL fan didn't hear where the Saturday game is played and decides to use the "Game Info" page from the app to check it.

3) Chelsea and Angie play at the Sunday game but they don't know what the opposite team is. Angie remembers that the team has an cellphone application and proceeds to install it. After a few moments and two clicks, they open the "Game Info" page and quickly realise that they are playing against the U4 team.
